Sealing, Insulating & Quieting the World

## 65+ Years of Experience & 22 Locations Worldwide

Alabama ▪ Arkansas ▪ Florida ▪ Georgia ▪ Iowa ▪ Indiana ▪ Kansas ▪ Kentucky  
Tennessee ▪ Texas ▪ Mexicali ▪ Monterrey ▪ Nuevo Laredo ▪ San Luis Potosi ▪ Nanjing

### Applications:

PSC offers solutions for various automotive applications including sound dampening, thermal insulation, sealing, gasketing, fabrics, and more.

#### Main Applications:

- Felt for BSR (Buzz, Squeak, Rattle)
- Foam seals (air, dust, and moisture)
- Interior carpet
- NVH & fabrics for interior trim
- Structural PP for seating
- High temp thermal insulation

### Capabilities:

PSC's diverse capabilities allow for fabrication of low, medium, and high volume parts. PSC's capabilities include rapid prototyping, skiving, laminating, custom die cutting, sewing, laser and water jet cutting, engineering, rotary die cutting, warehousing, JIT shipping, and more!

# Automotive

Sealing, Insulating & Quieting the World

## NVH

PSC's material selection includes a variety of materials to address noise, vibration, and harshness that seal, insulate, and quiet the automotive cabin. PSC's NVH materials include HPAM polypropylene, Thinsulate, PET, shoddy, and more.

### Standard NVH Applications:

- Door trim panels
- Door hole seals
- Head liners
- Wheel wells
- Trunk liners
- A, B, & C pillars
- Instrument panels
- Parcel trays

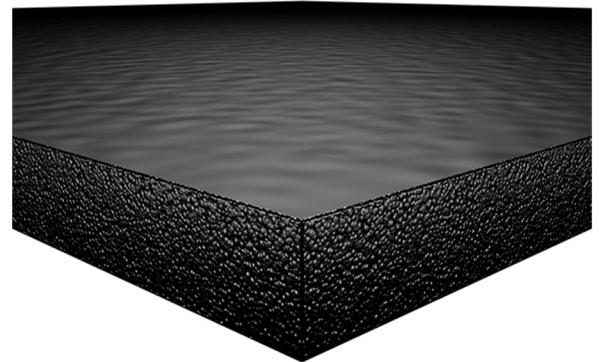

## Foams

Foam is an excellent material for creating a protective barrier from moisture, weather, dust, and temperature. Some of PSC's foam materials include EPDM, nitrile, PE, urethanes, and rebonded urethanes.

### Foam Applications:

- Gaskets
- Seals
- Liners
- Panels
- Trim
- Insulation
- Mats

## Carpet & Felts

PSC offers a large selection of felts, nonwovens, and carpets in various densities and thicknesses. Automotive felt and carpet solutions include seating, headliners, gaskets, dust shields, door panels, other interior components, and aesthetic and comfort characteristics.

### Carpet & Felts:

- Light weight & sound absorbing carpet
- Blended felt
- Needled PET
- Pressed felt
- Wool
- And more
